### *Errata:*

In Gloria Cronin's review of "Philosophical Dimensions of Saul Bellow's Literary Imagination," *Studies in Literary Imagination*, (vol. 17 Fall 1984), "He puts into fresh perspective the whole issue of the relationship between the ideas of George Steiner and Indian philosophy," should read "the ideas of Rudolf Steiner" (vol. 5, no. 1. p. 78).

In the Annotated Bibliography of 1982, the last sentence of the first paragraph on p. 94 (vol. 5, no. 1) should read: "The Bellovian protagonist learns that real life is a relationship between *here* and *there*."
